Dear Ms. Dortch:

On behalf of MHR License LLC, the licensee of FM broadcast station WVBW, Suffolk, Virginia, this is to advise the Commission that on February 24, 2015, the power of the station was reduced to 70%. A request for an Engineering STA will be filed shortly with the Commission that provides a full explanation of the reasons why the station is operating with reduced power.

If you have any questions, please contact the undersigned directly.
